

KS&R's DIGITAL DISPATCH

- KS&R's SIX team reviews the social conversation and sentiment related to 5G.
- Twitter is offering an 'undo' function, but you're going to have to pay for it.
- McDonald's wants to tap into machine learning to improve end-to-end interactions with customers.
- AT&T names their new media company.

KS&R's Digital Pulse: Uncovering The "Dirt" Behind 5G Social Conversation

5G has been a hot topic for many years but the conversation has been in the spotlight several times over the past 18 months. What has caused 5G to enter the spotlight and what are people saying?
